We're Gold!

Welcome to 2015 and we are delighted to announce that we have been redesignated as an Artsmark Gold School for the third time. This is thanks to the hard work of staff, students and parents working together to make Falinge Park High School and Performing Arts College an Arts rich and vibrant environment. We have already received our special certificate and we look forward to putting our new plaque on display in school in the near future.

To celebrate the great news, we held a special Artsmark Gold celebration Party at the end of the term in 2014. The lunchtime event was well attended and featured free food, balloons and arts activities. Both staff and students joined in the activities and games and we had a lot of fun! Thanks to everyone who came along! Don't forget that you can carry on the fun in our Arts clubs and visits.

The new term starts with lots of activities to join in and enjoy. To celebrate the staging of our new adaptation of 'The Odyssey', we have two new competitions for students of all years to attempt and complete and we are offering six great prizes and certificates to the winners.

The first competition is a giant wordsearch featuring the names and characters of the original tale by Homer. Students have to find over sixty names hidden in a massive wordsearch and return the completed form to the CEPA Office no later than end of school day on the 6th of March 2015.

The second competition invites students to design a new mask for the two characters of Circe or Tiresias and again the deadline is on the 6th of March 2015. Entry forms for both competitions can be found in tutor group pigeonholes or they can be downloaded directly from our website. Good luck to everyone who takes part!

Tickets for our show, 'The Odyssey' which takes place on Friday 24th of April 2015 are available now from the CEPA Office, priced £3.00 (no concessions). Seats are sold in advance only and are issued on a 'first come, first served' basis.

The Odyssey Mask Design Competition Entry Form

Use in to CEPA Office.

In the space below, design a mask for either Circe, the witch or Tiresias, the blind prophet in 'The Odyssey'. The FPHS staged adaptation for April 2015 is set in the future when technology has partially failed and people have resorted to more primitive methods of survival. You can choose to design your mask for this setting or use a more traditional representation. Draw your mask in pencil and colour it fully. The closing date for submissions is end of school day on Friday, 6th of March 2015. Only one submission per student. The competition is open to all years. The judge's decision is final and no correspondence will be entered into at any stage. There are three great prizes and certificates to win! Good luck and research the character!
