

Information for Pupils about Support during a School Closure

Support from School Staff

We understand that everything in the news at the moment can be very worrying, as can uncertainty about school possibly closing and you having to stay home.

Some of our pupils will be getting phone calls home from Mentors, Teaching Assistants and Heads of Year during any time that the school is closed. If you would like to receive a phone call please speak to your form tutor or Head of Year.

Staff will be working unless they are unwell, and so will be checking their emails if you have any questions about work set, or any worries. This includes the Safeguarding Officer Mrs Broadhurst.

Staying Safe Online

While you are off school and spending more time online, remember to stay safe online and don't share personal information with anyone you don't know. There is lots of information on E-safety on the school website <https://www.falingepark.com/safeguarding-at-falinge-park/>. If you are worried about any online contact, visit CEOP <https://www.ceop.police.uk/safety-centre/> or contact Mrs Broadhurst via email broadhurstk@falingepark.com.
