Dear Parent/Carer

Re: Uniform

I am writing to you to inform you of some changes we are making to our pupils’ uniform.

With the winter months approaching and the fact that we have all windows and doors open in the school to increase ventilation, it is becoming colder in school. Therefore, from Monday 28th September we are allowing pupils to wear the following in the building:

- A plain, dark jumper or hoody over their summer top or shirt and tie
- A coat over their summer top or shirt and tie
- Their PE hoody

We ask that hoodies and jumpers are plain and do not have brand names, logos or images on them. We also suggest that pupils layer up. We will ask pupils to remove any jumper or hoody that doesn’t meet our criteria and we hope you understand that the changes we are making are really considered. Therefore, to clarify:

If pupils wear any items of clothing that are not dark in colour and are more of a fashion item, they will be asked to remove them and put them in their bags.

We now have the necessary equipment to be able to clean the PE changing rooms after every class. Therefore, as of Monday 28th September, pupils will not wear their PE kit to school on days that they have PE. They will wear the normal school uniform and be able to change into their PE kit when they have their PE lesson.

Please do not hesitate to contact me at the school should you have any queries.

Yours faithfully
