## **Charging and Remission Policy**

### **Purpose**

Legislation allows schools to charge for certain activities which take place outside school hours. Falinge Park High School's policy applies to charges made to parents/students, for facilities used by private individuals and to third party organisations that rent school premises.

Under the terms of the Education Act 1996, the Governing Body of Falinge Park High School must have a policy on charging students to participate in school activities and are responsible for monitoring the implementation of the policy. By law, students may not be charged for taking part in activities that take place during the school day. Parents may be asked for voluntary contributions but if they are unable to 'contribute', their child should not be prevented from participating should the activity go ahead. In any request for voluntary payments it must be made clear from the terms in which it is made that:

There is no obligation to make any contribution and that pupils will not be treated differently according to whether or not their parents have contributed towards the planned activity.

## Procedure

1. **Admissions** – no charge shall be made in respect of admission.
2. **Provision of education** – no charge shall be made in relation to the education of registered pupils where education is provided during school hours. Where education is provided outside of the normal school hours, no charge shall be made provided it is required as part of the syllabus/curriculum. The school may charge persons who are not registered pupils at Falinge Park High School for education provided or for facilities used by them belonging to the School.
3. **Musical Instrumental tuition** – Free music tuition is available to all pupils, for this academic year (to be reviewed annually) under the following rules:
  - Any child wishing to take music tuition is provided with an instrument either through the Music service or school.
  - Parents are responsible for insuring the instrument allocated to their child by the Music service or School.
4. **Practical subject charge** – no charge may be made for materials and ingredients for practical subjects.
5. **Visits during the school day** – A voluntary charge will be made to cover the cost of educational visits and other activities. However, as detailed as the outset, charges cannot be enforced where this forms part of the curriculum. Where the level of non-payment renders a trip financially unviable consideration will be given to cancellation.
6. **Residential Visits** – where at least half of the time away from home is not normal school time or where the work undertaken is not an integral part of the examination course, the trip can be classified as optional. Any charge in respect of an optional extra requires parental agreement and willingness to meet the charges. Parents should be made aware that the activity might be cancelled if insufficient contributions are received. If the visit is deemed to have taken place during the school day, or it is part of the national curriculum or is preparation for a public examination then only the cost of board and lodging can be passed onto parents and this cannot exceed the actual cost.

**7. Public examinations** – No charge shall be made in respect of the entry of a registered pupil at School. Charges are applied for the entry of a student for an examination for which he/she has not been prepared by the School. Entry for resit examinations is also subject to charge. Where a student has paid for an examination re-mark and the new grade exceeds the original, and then a refund is made for the fee.

**8. Optional extra visits** – Visits that take place beyond the school day or as part of an extracurricular activity can be charged and parents are expected to meet the full cost of the trip.

**9. Breakages** – The financial cost relating to breakages/damages/fines are recoverable from parents and can be pursued as a civil debt. A charge will also apply for loss or damage to the Schools property which is placed under the responsibility of the student and may be taken off the premises.

### **Remission of Parent/Student charges**

Parents who find themselves in financial difficulties and who are in receipt of the following benefits may apply to the school for financial support:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided that Working Tax Credit is not also received and the family's annual gross income does not exceed £16,190)
- Working Tax Credit run-on (this is paid for 4 weeks after an individual stops qualifying for Working Tax Credit)
- Universal Credit (if the application was made on or after 1 April 2018, the family's income must be less than £7,400 per year – after tax and not including any benefits).

### **Facilities used by private individuals**

Currently this only refers to reprographic facilities used by staff members, the PTA or other local schools, sporting and community organisations. Charging is on the basis of measured copy volumes + 10% + vat.

## Lettings/Use of Facilities

The charges for lettings are contained within the Schools Finance Policy. These are agreed at the Resources Committee and are reviewed annually. The current charges for lettings are:
