

This document outlines the monies spent from the Covid Recovery Fund up to May 1<sup>st</sup> 2021

We received £104,720 from Central Government from the Covid Recovery Fund which was paid in three tranches between September 2020 and September 2021. We usually receive in excess of £27k from Catch-Up Premium. For the past two years we have spent £25k from our own budget on providing English and Maths tuition for any child who has ever been known to Children's Social Care following our analysis of attainment nationally and in school. We have continued this throughout the lockdowns and is **not** part of our Covid Catch up money as we have been doing this before it was identified.

The monies have been spent on the following:

Employment of English teacher Sep-March 20-21	£19,546	Employed to deliver small group interventions, catch up and exam practice in writing for Y10 and Y11. Also to release HLTA in targeted reading for 50% of her time so that she could work flexibly to support children's wellbeing.
